# Attention !!! Kids of C.B.C.

Be sure to bring your parents to the CBC planning meeting in January. "Kids Kommodore" (ex-officio) Norm Bogarde would like to convene a concurrent planning meeting to be attended by all Junior CBCers who are interested in planning activities for the 1984 season. The Idea, of course, is to lure more of you Guys and Gals to CBC functions by making them more attractive to young folks. Those boring raftups and wine and cheese parties are, like, gag me with a spoon... fer sure! So now is your chance to plan a few things for yourselves. The following committee of "experts" has been volunteered (?) to help get something...almost anything...started.

Roger (outlaw) Outerbridge  
Cary (the cat) Dickieson  
Dean (the dude) Bogarde  
Glen (the snake) Bogarde.

Suggestions, comments, and considerations may be presented to the Biggest Kid (Norm Bogarde) by members of the older generation.

George Tornelli, skipper of the Bristol 32 CATALAN has on hand 2/3 of a 4'x 8' sheet of 1/4" marine plywood of the type used in the finished cabin soles of the older Bristols. He had one heck of a time finding it and thought one of the CBC members might be looking for some. Give him a call at home 301/627-4473 or at the office 202/426-8270. He 'lows as how it is a perfect match for the old flooring!

# THE FINAL SPREE OF EIGHTY THREE . . . .

On the night of November 12, 1983, Snyder's Willow Grove buzzed with the sounds of summer sailing stories and rendezvous recollections as the Chesapeake Bristol Club celebrated the close of another spectacularly successful sailing season. The bar was open and the food was fine and we all feasted! Commodore Jeff Serfass reviewed the highlights of the year and honored his committee chairfolk with some spectacular calendars. There was also a special award for a special anchor boat and Pat and Cary Dickieson accepted the award for HIGH BALL. Pete Abbott, who ran a most efficient and exciting series of races, handed out those terrific trophies to some splendid sailors.. and 'keepers' to those who had to relinquish them to a new home.

Jeff reluctantly (?) relinquished the helm to our Commodore for 1984, Ed Plitt, and the new officers stepped smartly into place. Vice-Commodore Cary Dickieson who will also be a legal watchdog for us with Syd Smith, Rear Commodore Marcia Outerbridge who will also be in charge of really special doin's for our tenth anniversary, Treasurer Fred Flower, Secretary Norm Bogarde (Kids Kommodore), Trustees Sam Mattingly and Art Baitch are now on duty. As Ex-Commodores remain on the board for two years, Dick Boecker and Jeff Serfass will still have their fingers in the pie... or handson the tiller. Dick Boecker has agreed to take over as cruising/racing chairman and give Pete Abbott a rest, Nancy Mattingly is going to keep on keeping track of all of us, Jan Birely will continue to plan parties to perfection, and Shirley Kennard will continue to nudge along this newsletter.

Some dedicated folks were also honored at our Fall Dinner... those who got up really early, dropped anchor in every kind of condition and raised flags for our racers. Dick and Ruth Boecker, Norm and Sandra Bogarde, Bill and Beryl Flynn, Fred Hixon and Linda Smith, Bill and Anne Sieling, Jeff and Carolyn Serfass and Denny and Mary Thrasher all got to take a well deserved bow!

There are certainly enough marvelous memories to last til May!
