FEBRUARY 1984

It was a chill January day up the Severn River and the rays of Old Sol glinted on the icy ground, but inside the clubhouse seventy sailors gathered to do a bit of positive daydreaming and basked in the warmth of good spirits, good friends, and the anticipation of summer CBC events.

Commodore Ed Plitt inaugurated the anniversary year with the very welcome report that dues could remain as they were in 1983..... so everyone quickly approved the budget! Then everyone got another beer and really got down to business.

Dick Boecker convened the cruiser/racers who took a good hard look at lots of possibilities for a bang up racing season and a cruising schedule that would enable virtually all members to join in many events. Hak Kauffman presented the results of some careful research which helped in the selection of rendezvous locations.

Jan Birely and the party people put together a program of pleasing pot-lucks, feasts, frolics, and festivities.... afloat or afoot... to make this a truly special anniversary summer.

Kids Kommodore Norm Bogarde convened his committee in one corner and considered and compiled a crafty collection of capers.

Here are some of the activities they plan for this season.. to be matched to the appropriate club event...and "advertised" in this newsletter so you won't miss them!

Water volleyball or basketball:  
preferably inside a sunflower!

Obstacle course/race:  
ANYTHING GOES

Games: balloon toss, egg toss,  
greased watermellon..... and  
any other suggestions?

Halloween in July:  
use your imagination!

On -Board activities to be judged  
at rendezvous.

Kids boat challenge race.  
A junior racing crew would  
like to race somebody.

a Novelty Race.....fun for kids..  
and adults too!

A Scavenger Hunt  
(NOT on boats)

Dinghy Races: Sail or Row

Dogsled Race: teams of kids  
pulling dinghy loaded with  
adult.. (not loaded adult)

## BETCHA DINT KNOW...

According to our Blue Book.. our CBC boats are located near the bay as follows.

MIDDLE RIVER & NORTH	12%
PATAPSCO RIVER	17%
MAGOTHY RIVER	12%
ANNAPOLIS AREA	37%
SOUTH RIVER & SOUTH	22%

Figuring time and distance Hak Kauffman figured that rendezvous in the Chester River, Swan Creek, The Patapsco River and the Magothy River could be attended by 80% of our member boats..easily..The Choptank could draw 60%, the Thode River 70%, the Miles and Wye 50% and Fairlee Creek 40%. These figures should give you an idea of the reasoning behind the location of our rendezvous and get together. Thank you, Hak!
