

CHESAPEAKE BRISTOL CLUB

MARCH, 1987

On the first of February forty festive fellows and gals gathered at the Bay Ridge Clubhouse to share a wonderful pot luck supper and to decide the all important dates, directions, dues, don'ts, and divers doings that will keep us smiling and sailing this summer. The results of this precision planning are in this issue... mark your calendars!

New members Tom and Pat Olssen got a good look at our diverse but most impressive membership and newlyweds Bette and Richard MacIntire told us about their new boat... which we hope to see lots of this summer, as well as EASTING DOWN which will be sporting a new fully battenned main! Jan and Bill Birely, Ann and Steve Grant, Bette and Bert Shoemaker, Frank and Nancy McCabe, Judy and Tom Taylor, Hak and Adele Kauffman really enjoyed the get together in spite of the wintry weather, but Eric Weber, Joel Gross and Shirley and Hunter Kennard were impatiently waiting for their escape flight on the 5th to warmer climes in the Virgin Islands. Marcia and Mike Nathans, Joe and Jay Heidel, Ruth and Dick Boecker and Fred Hixon and Linda Smith joined in an exceptionally impressive debate on matters of sailing sartorial splendor. Ned and Fayla Sherrer, Bill and Beryl Flynn, John Banbury, Gene Ehrlich, and Jack and Marty Keegan also contributed to this momentous decision making process! Did I hear someone say "Mothers' Day"?

With a minimum of whip-cracking by our commodore the aggregation set a summer schedule... and with thanks to Tom and Marcia Outerbridge for arranging our perfect meeting place... everyone scooped the club house back to ship-shape and bristol fashion before the sun sank in the west! Norm Bogarde and Sandra have us launched into 1987!

There are lots of future fun things afoot that will be revealed as you race and rendezvous and read your newsletter *.

Forgetful Jones here left a glass 9x13 dish in a wicker basket at some CBC feast. Did you rescue it? Please call Carolyn Serfass (KALANEMOS) 202/546-7819.

Now hear this....!

In Center Harbor, Maine, local legend recalls the day some 10 years ago when Walter Cronkite steered his boat into port. The avid sailor, as it's told, was amused to see in the distance a small crowd of people on shore waving their arms to greet him. He could barely make out their excited shouts of "Hello Walter ... Hello Walter."

As his boat sailed closer, the crowd grew larger, still yelling "Hello Walter ... Hello Walter." Pleased at the reception, Cronkite tipped his white captain's hat, waved back, even took a bow.

But before reaching dockside, Cronkite's boat abruptly jammed aground. The crowd stood silent. The veteran news anchor suddenly realized what they'd been shouting: "Low water ... low water."

from the Washington Post.

WANTED.....

A competent cobbler to replace topsider soles. the Serfass Family has had some incredibly inept repairs done and would like to find someone in the D.C. or Annapolis area to save their broken-in boat shoes. Recommendations will gladly be accepted by the Serfass Family. No slip-ups please!

A NOTE FROM THE HIGH SEAS...

"We sailed our Tayana 37 to the Virgin Islands in October. Five days from Norfolk to Bermuda and then seven days to the B.V.I. after some R & R in Bermuda.

We've been in the B.V.I. six weeks and leave next week for St. Martins and points South, eventually getting to Grenada.

Love this life - it exceeds all expectations. Home in the late spring probably.

MERRY CHRISTMAS AND HAPPY NEW YEAR"

Nan and Bob McIntosh

AND LOW LANDS.....

The Kirbys spent New Years in St. Augustine with former CBC ers Fritz and Ilka Racke. Dr. Racke is Chief of Psychiatry at Flagler Hospital since relocating to Florida in 1985. Then the Kirbys visited Dave and Cille Hultch at Plantation Harbor aboard CILLE III. Dave and Cille will be at Plantation Key until about March 1 when they will begin a leisurely two or three month trip home. The Kirbys are "cruising" Florida in their motor home.

FOR THOSE OR YOU WHO WANT A BETTER CHANCE OF WINNING A RACE (WHETHER IT BE A REGULAR CLUB RACE OR JUST BEATING THAT CRUISING BOAT SAILING ALONG SIDE YOU) OR JUST GETTING TO THE RENDEZVOUS FASTER, WHY NOT THINK ABOUT A NEW FOWLER SAIL? FOR MORE INFORMATION, CALL FRED HIXON, THE NEW FOWLER SAILS/ SALES REP. FOR THE AREA, AT 266-0790. CBC BOATS NOW SPORTING FOWLER SAILS ARE TALISMAN, EASTING DOWN, WHIM AND SIRENA.
