

CHESAPEAKE BRISTOL CLUB

VOL. 14
ISSUE 2

MARCH 1988

The day was crisp and the bare masts on Lake Ogleton waved gently in the afternoon air. In the clubhouse a distinctly non wintery group met to eat, drink and be merry... and., incidently, plan our S.B.C. activities for this year. Our course was charted with much good humor, occasional hilarity, and a smidge of compromise here and there.. as Commodore Nancy Weber kept the crew from getting too unruly. In fact, she ran a real tight ship! The schedule calls for some neat new things this year, and the revival of a midsummer cruise. Our Belle of the Boutique (Jay) reported on new goodies for sale, especially the discount price on the Cruising Guide (see next page). Eric Weber led a spirited discussion of race timing and locations with such gung ho speedsters as Dick and Ruth Boecker, Marcia and Tom Outerbridge, and Mike Nathans. New Treasurer Dick Wells, wife May, old friends Sam and Nancy Mattingly, Bette and Richard McIntire, Bill and Ann Sieling, Hak and Del Kauffman, Norm and Sandra Bogarde, Bob Eaton and John Banbury all enjoyed the cold beer, the hot chicken and the great "Pot Luck" dishes contributed by our CBC chefs (male and female!) New Social Chairman Fayla Sherrer aced her first assignment! Judy and Tom Taylor and fellow scuba enthusiasts Bill and Beryl Flynn were delighted to hear Fred Hixon announce that he and Linda would be "in charge" of one of our special events this summer... a NOT TO BE MISSED one! There was a warm welcome for new members Frank Arseneau and Helen Powell. The Powells are new owners of BLUE MIST (nee Blue Heron) Frank and Nancy McCabe were most interested in Betsy Plitt's plans for another Caribbean cruise in 1989. The Kennards took notes and were delighted to record such an auspicious start to the season!

With a whoosh and a swish and a crumple the tables were cleared and stowed away and the floor swept.. while Poochini did her bit by cleaning up the crumbs.. and before you could say "hard A Lee" the clubhouse was back in Bristol shape. As the shadows lengthened everyone reluctantly left for home and hearth to impatiently await a budding bush, a blooming bulb.. and the SPRING DINNER!

The Bristol Boutique is offering a GREAT bargain this year. The 1988 Edition of "Guide to Cruising the Chesapeake Bay" is for sale at a discount price of \$15.20 !! Call Jay Heidel at home: 301/447-6220 or at work: 301/271-7355 to order one for pick up at the SPRING DINNER!
