NEWS FROM 'MAGIC DRAGON' TOO — BON VOYAGE !

This "Mia Culpa" is to articulate
Why your November issue was the ultimate.
On Thanksgiving our health wasn't so great,
In fact we were rather disconsolate.
Some nasty critter did us incapacitate..
It was NOT the turkey we ate.
By Christmastime, still in a sorry state,
We suffered from croup most immoderate.
On New Year's Eve we did not dissapate
But the next day found us again prostrate.
Pills and potions and bicarbonate
Have helped us a bit to recuperate.
Ninety One doesn't seem first rate,
But we refuse to capitulate.
In the early months it's hard to wait
For evenings when the sun sets late,
And weather and winds are more temperate.
Like some we couldn't go south to migrate
For a week or so to rejuvenate....
But, Patience! the Positive Accentuate!
Spring ALWAYS comes!..... So Celebrate!
