TO THE CBC MEMBERSHIP:

CBC has no secret hand shake, no salute, just good people who are enthusiastic sailors. It was an honor and pleasure serving such a group as Commodore in 1994. The year was a success because of the efforts of the Club members to "get the job done". And a good job the program was - it was a fun year. If there are any things I take credit for as Commodore, it was the weather and delegating to many willing volunteers.

It was pleasing to see all the members who attended the Fall Dinner and those who participated in the events throughout the year.

I appreciate the generous gifts, including the picture, I received as outgoing Commodore. You will see the past Commodore flag flying from the starboard spreader of "Pavane" next year.

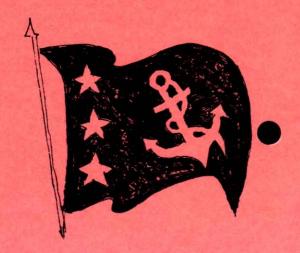

I know you will give our incoming Commodore, Mike Moschella, the same enthusiastic support you kindly gave me in 1994. The 21st year in '95 will be great!.

The best to all during this festive season and in the New Year.

Sincerely,

Ned

Immediate Past Commodore

When we go out...we do it in style !

November twelfth was a chill and nippy night, but a very warm crowd filled the cocktail room at the Officers' and Faculty Club at the Naval Academy. In honor of such a special occasion and location, the Captains and Mates of the Bristol Club were indeed decked out in their most elegant attire. This was one of those events we come to with mixed emotions... sadness that the sailing season is over, but delight at the terrific occasion when we set a new course for the following year with good cheer and gusto. This year was quite a special one as we have welcomed many, many new members into the CBC, and this was a wonderful chance to meet them. One member had left her husband in Turkey when she flew back to the states and attended the dinner; Lineke Andes would return to FREE FLIGHT soon. George and Nancy Marvin, Steve and Jennifer Rogers, John and Diane Seybold, and Joshua Andrew Mazer are a few of our newer members and we will look forward to seeing their TRUMPETER. WIND'S EDGE.CATTAILS and WET WEASEL at a lot of rendezvous next summer. Werner and Clara Cohrs, who berth NICOLE in Deltaville, drove all the way up to join us! Will and Logan Hottle sailed over from Rock Hall. Our newest members were Rick and Alexandra Buek, who, at present have a 30' Columbia, but are looking for a slightly larger Bristol. All the "old timers" were thrilled to see Bob and Jeanne Eaton, looking great, who had been driven down by Norm and Sandra Bogarde. Mike and Marcia Nathans were alerting folks to look for a house on he water in the Whitehall area where they could keep their HIGH ADVENTURE and where Marcia could indulge in some fun fixing-up. Mal and Louise Mellington are also looking for a slip somewhere in the Annapolis area. As Louise is now Commodore of Vice... oops!.. Vice Commodore, she wants to be closer to the center of action! They may be sailing with three Corgies next year! Now that Mike Moschella and Janet are in their new house, they have moved MARIPOSA to the Western shore, right next to DAPHNE. Andy and Kathy Lewis haven't moved anywhere, but they have a new boat!....a Caliber, and they are thrilled with her. Bill Sieling's fashionable spouse, Anne,caused quite a stir with her elegant and stunning hat... a real prizewinner! The most formal couple was Brooke Perkins and Marilyn Henderson, both attired in black tie... (but Marilyn had the best looking legs...) Both Boecker families were there, and Dick, Jr. was looking forward to their Virgin Islands cruise in the new year. Paul Kavanaugh thoughtfully brought refreshments to Marge who was on duty at the name-tag table. She was very busy outfitting our new members. We had missed Mark Apter, Ron and Janet Benrey, and Randol and Missy Carroll a lot this summer and were delighted they could join the fun. Of course our new trustees and their spouses were there.. Adam Canalungo and his lively lady, Elizabeth, and Steve Schwing and Susan. and quite a few long time members: Ed and Betsy Plitt, (charter members), Bill and Beryl Flynn, Joel and Jeanne Gross, Shirley and Hunter Kennard, Gene and Alma Ehrlich, Bert and Bette Shoemaker, Pat and Cary Dickieson, and Dave and Rebecca Burka. Frank and Nancy McCabe came up from Solomons where they are happily settled now. Art and Fran Bertapelle, Tim and Pam Daniel, Bob Lehner and Nancy Warner, Monique Pasquale and John Letcher and Bill and Donna Shuman joined the festivities with gusto. Curt and Joann Sherrer just had to come and see "grandad's" finale.

While we were enjoying the truly yummy hors d'oeuvres and our favorite drinks, there was time to view a grand collage of snapshots of club events and cruises of the 1994 season... lovingly assembled by Beryl Flynn. It was a great reminder of the fun we had last summer and of the beauty of the Bay that we all love. Fayla called us all to supper and we found each table set with carafes of wine to accompany the dinner which was served to us with great style, from the opening Caesar Salad to the Sinful Chocolate Cake for dessert. Ned, Our Commodore, displayed a large portrait of Ned, Roman Emperor, which certainly added to the dignity of the evening. He graciously thanked all of the officers and volunteers

and presented them with some lovely keepsakes, and as a very special twentieth anniversary commemoration, every member received a special burgee with 1975 - 1995 boldly declaring our longevity! We'll be a festive fleet on the bay next year!

As the crowd of eighty seven sailors settled back, well fed and happy, the new Commodore, Mike Moschella, was piped aboard, with his crew for 1995, and somehow all of the correct flags were put in the proper hands. Janet will be his terrific first mate.

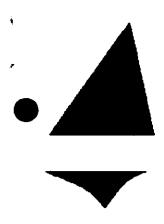

Our surprise speakers treated us to a fascinating trip around the world! Dave Sherrell and Nancy Law, friends of Ned and Fayla, *raced* around the world in their small two engine plane, and had fascinating slides and tales of the trip. We were all enthralled... and realized that when we run out of fuel or have motor trouble, we can still sail out of most situations.. but in a plane over Alaska low fuel or motor trouble would lead to a very rough landing or a very wet one at sea. We will all await the report on their next exciting adventure.

As we said our good-byes and headed homeward to our own festive holidays...we knew that it would really not be so very long 'til we gather to plan for 1995 and rouse our boats from their winter slumbers. It was an elegant way to end the year! Thank you Ned, and all your crew for a wonderful year.... even though you said you could take credit for nothing but the wonderful weather!

And now,
(speaking of planning,)
we call your attention
to the following two pages!

When you have recovered from all of your Holiday Celebration and your thoughts turn to things nautical, please spend a little time to fill in this questionaire and give our officers your thoughts and ideas, activities, or things you would like to do with the club next year.

We aims to please!

From: Steve Schwing, Trustee RE: 1995 Cruising Season.

With Spring only months away it's time to start thinking about this seasons cruising and event schedule. Members of the Planning Committee will hold a grueling, marathon meeting in January to try to come up with a fun filled itinerary that will attempt to please everyone! This is a daunting task but we feel, with large quantities of food and drink and a few ideas from you, we can pull this off once again. Please take a few minutes to answer some questions for us in an effort to keep the Commodores hair from turning any grayer.

In an effort to avoid being keelhauled, the Planning Committee will make every effort to take everyone's suggestions and ideas into consideration when planning this years events. We cannot be held responsible for navigational errors, aberrant weather conditions, poor waitress service, the fact that the Commodore is from New Jersey, or other conditions beyond our control. Please Fax or mail your responses to your trusty Trustee by January 15, 1995.;
