MARCH 2007

**Y**our editor apologizes for the unfinished final newsletter.. of 2006. Holidays, Family events, necessary travel, the loss of a dear old friend, and a major reshuffle of the “office” and computer equipment, a very busy concert week with the Annapolis Chorale, and then some horrendous weather, all put the Newsletter at the end of the list. The fierce winds the last few days have brought out some bird songs on the cold mornings... and I think they know something we don't believe right now. Spring is actually on the way!

Following is the report on the last two great events of the 2006 season which were our Halloween party and barbecue and our final meeting with the piping aboard of the new flag officers for 2007..

**D**eb & Ken Coons and Tom and Nancy Trump hosted one fantastic Halloween Barbecue at the Bay Ridge Clubhouse. The clubhouse was festooned with spooky things and each time the door opened more spooky things entered! Thirty six CBC members gathered to laugh, chat, drink, and eat marvelous BBQ'd Chicken and Pulled Pork, and a great Bourbon Beef Brisket. Of course the CBC chefs had produced all kinds of yummy salads, side dishes, and desserts to go with the entrees. Everyone feasted indeed!

The folks who attended this great event: Ruth and Dick Boecker, Norm and Sandra Bogarde, Bob and Prue Clopp, Bruce and Janet George, Joel Gross, Will and Logan Hottle, Doc and Carol Johnson, Shirley and Hunter Kennard, Peter and Margaret Madden, Bob Philpott and a lovely girlfriend, Suzanne Pogel, from Womanship, and two friends, Al and Helen Powell, Ned and Fayla Sherrer, George and Clary Thomas, and the folks who do all the work of arranging for setting up the Clubhouse for us, Noel and Carol Patterson.

A zillion thanks to them.

Each of the costumed folks received a “bottle/box” of wine, and our commodore-elect, Will Hottle, got a very special award.

There may have been some boats anchored out in Lake Ogleton, but no one took a tally for us.

On the next page you will see some of the fantastic characters that “crashed” our party!

Many of us remember Hak & Adele Kauffman, and may be interested in Hak's latest project. When he moved to Florida he built a photo darkroom and began to exhibit his black and white photographs at local galleries and then put some of them on his own website. He began to think of producing a coffee table book of his photos, and thought, "Why not?"

See some samples on <[www.haksphotos.com](http://www.haksphotos.com)>. The book is 72 pages, 8.5 x 11, hardcover.

## AT THE END OF 2006 THE CBC TRIED SOMETHING A LITTLE DIFFERENT.....AND IT WAS A ROUSING SUCCESS!

**BRUCE AND JANET GEORGE** took charge of the End-of-Season Luncheon which was held in the lovely Chart House restaurant. It was such a brilliant day that HIGH ADVENTURE sailed over from Whitehall Creek and Mike and Marcia tied her up in "Ego Alley", just across the way. The club had exclusive use of the restaurant so we all gathered in the bar overlooking Annapolis Harbor and the Naval Academy for a happy hour and then adjourned to the dining room where we were feted with a marvelous meal. Janet and Bruce had decorated the tables with small American flags and the long tables were very festive and elegant with white cloths and lovely stemmed crystal. Quite a bit of wine accompanied the great meal.

After we had eaten our fill, there was our annual ceremony of piping aboard our new flag officers. There were hearty cheers, a lovely gift, and many, many thanks to Doc Johnson, our outgoing Commodore, for his great helmsmanship during our 2006 sailing season. Doc expressed thanks from the CBC for the work of rendezvous and party hosts, and presented each with a wonderful individual boating gift from White Marsh Stitchery.

The fall cruise group who had been stranded by terrible weather in Mickey Doran's warm and comfortable home on on Prentis Creek (dubbed "Camp Mickey") presented Mickey with a terrific new windbreaker jacket in recognition of his marvelous hospitality to a large group of guests who stayed, and stayed, and stayed!

The Georges had arranged for Peter Trogon, the owner and President of Weems and Plath, to talk to us about navigation and navigation instruments over 4000 years. His talk gave us a good overview and then demonstrated the newer instruments that are in use today and had many of us feeling a bit covetous. It was a great finale to a great season.

We were shooed out of the Chart House at 4:00 as they were setting up for their regular Saturday night customers, but we had enjoyed a wonderful four hours.

The next page is a potpourri of pictures, and I think every one was caught except Tom and Peggy Carey! You can see what a great party it was!

### **HOW TO REACH THE BAY RIDGE CIVIC ASSOCIATION CLUBHOUSE**

By Land: Head East on Forest Drive (Rt.. 655) from Rt. 2 at Parole, through 9 traffic lights at which time you will be on Bay Ridge Road. Pass the Bay Ridge gates and turn left onto East Lake Drive. Bear right and go 4/10 mile to the sign on the left for the Bay Ridge Civic Association Clubhouse. Turn in and you will find plenty of parking.

By "Sea": You will find the Lake Ogleton entrance NW of AH1 (formerly ww Pt.) Be sure that the #1 & #5 flashers stay lined up with you fore and aft stays. Don't let the tide carry you out of the channel. Boats with 5' draft go in and out at all times with no trouble. Once inside bear to port and you will find plenty of room to anchor in good water. The Clubhouse is at the East end of the lake at the marina. Dinghy in!

**DAYLIGHT SAVINGS STARTS THAT MORNING!**

# MEMBERSHIP STATUS BEGINNING 2007

## **THERE ARE 74 MEMBERS ON THE BOOKS, ACCOUNTING FOR A NET LOSS OF**

**1.** We gained 3 new members and lost 4 in 2006. There are 60 paid-up members leaving 14 members in arrears. Seven of the 14 are at risk of being dropped in 2007 and among the 7 are one Past Commodore and one charter member. We will lose two of these folks for sure and probably the balance in 2007 so we have a goal of 7 new members just to stay even.

We've done very well in getting our message out there. We are regularly published in Spinsheet, Bay Magazine, and Good Old Boat. Our CBC Website ( [HYPERLINK "http://www.cbclub.info"](http://www.cbclub.info) www.cbclub.info) has attracted lots of attention and our calling cards (schedule cards) are great tools to use in the recruiting process.

This is all good stuff and a little advertising goes a long way but for most part, its up to us. Most of our new members in recent years joined simply because somebody asked them, sooooo . . . Ask Them!

**MANY THANKS,**

**NORM BOGARDE  
CBC MEMBERSHIP CHAIRMAN**
