HOW TO REACH THE GEORGE'S HOME And where the ... is Rogers Road? From the Washington Beltway, route I-95, take Route 50 east. After passing the exit for Route 301 south, the next interchange is Route 424, Davidsonville Road. Take Route 424 south (to the right). In just three or four miles you will reach a traffic signal where Route 424 crosses Route 214, Central Avenue. Turn left on to Route 214 and continue east until you pass the DEAD END sign (about 20 minutes). After passing the sign, take the second right, a paved lane which is Rogers Road. Proceed to the end. 1201 is the waterfront cedar house to the left at the very end of the lane.

From Washington, DC, come out of the city on New York Avenue eastbound. As you follow signs for Annapolis, New York Avenue becomes Route 50. Stay on Route 50, pass the Beltway continuing east. Follow directions as above.

From I-97 South continue towards Annapolis to Route 50/301 east. Keep right to take the first exit to Aris T. Allen Boulevard, Route 665. Take the second exit from ATA Blvd, to the right, Route 2, and go south. Continue across the South River, go past the airport on your right, past the Giant supermarket on your right, to Route 214. Turn left (east) on 214 and proceed as above.

From Route 2 south (e.g., from Severna Park), take Route 50/301 west across the Severn River to the point Route 2 branches off. Continue on Route 2 south and follow directions as above.

HOW TO REACH THE BAY RIDGE CIVIC ASSOCIATION CLUBHOUSE

By Land: Head East on Forest Drive (Rt.. 655) from Rt. 2 at Parole, through 9 traffic lights at which time you will be on Bay Ridge Road. Pass the Bay Ridge gates and turn left onto East Lake Drive. Bear right and go 4/10 mile to the sign on the left for the Bay Ridge Civic Association Clubhouse. Turn in and you will find plenty of parking.

By "Sea": You will find the Lake Ogleton entrance NW of AH 1 (formerly ww Pt.) Be sure that the # 1 & #5 flashers stay lined up with you fore and aft stays. Don't let the tide carry you out of the channel. Boats with 5' draft go in and out at all times with no trouble. Once inside bear to port and you will find plenty of room to anchor in good water. The Clubhouse is at the East end of the lake at the marina. Dinghy in!

Good Old **BONKERS TWO** is looking for someone who will love and enjoy her as much as the Kennards have over their many years on the Bay. She is all spruced up and waiting for a new owner and Shirley and Hunter are cherishing all the memories of wonderful times aboard her with all their CBC friends.

They don't plan to abandon the CBC, but will be as active as they can... even in their dotage which they are rapidly approaching.

They love you all!

A REPORT FROM DAVID & PAULA FRANKEL, s/v PRIMROSE IN NOVEMBER 2009

For those of you who have not already heard, we will not be cruising this season. On November 4, PRIMROSE was sitting in the boatyard, s Travelift when the forward sling broke, dropping PRIMROSE onto the ground below. Twenty-one tons falling 8 feet is not a pretty sight and the sound of it is not any better. Boats are simply not designed to fly. It was a miracle that no one was seriously injured or killed. We had been on board winching up the centerboard after its painting. David was almost under the boat at the time, having just climbed down the ladder; he was holding it for Paula, who was near the top of the ladder when the mishap occurred.

Right now, we are staying at a hotel apartment near the boatyard while surveys are being done and estimates for repairs are being obtained. PRIMROSE is repairable as she is a very strong boat and didn't do a Humpty Dumpty, although she did have a great fall. We anticipate that repairs will take four to six months, and we plan to stay in Grenada while the repair work is underway.

Following are a few pictures that tell the story.

AND NOW AN UPDATE: No blizzard here--84 degrees, breezy, sunny.

Here's how we spent our Saturday--working on the Race Committee boat at the Grenada Sailing Festival!

Beats shoveling snow

A MESSAGE FROM OUR MEMBERSHIP CHAIRMAN

We're into a new decade and the 2010 sailing season is about to begin. It's been a winter of Epic Proportions so we're all looking forward to some warm breezes and the smell of bottom paint. It's also time to renew your CBC Membership.

We've had recent success in building our membership, but we are also committed to membership retention so we need the Experience and the Spirit of our long-time members! So please take a moment to renew your membership using the attached form or use the form on our website. Also, before you write across the form "Same As Last Year" please review your profile in the latest Directory and make sure that all your data is accurate.

If life has taken you in a different direction, you've sold the boat, moved to West Palm Beach? Let us know that also. I maintain a growing list of CBC alumni.

Where will you ever get a better deal for \$45.00?
