AUGUST 2010

THE HOLIDAY SUNFLOWER WAS THE FIRST ONE THAT FOUND
OLD SOL BEATING DOWN & NO BREEZE, THAT CREATED A REAL

SCORCHER OF A PARTY ON MILL CREEK ON JULY 17 !

Thirteen beautiful Bristol Club Craft braved the heat and formed a tight circle under the able direction of Raftmaster Mike Nathans, and by 4:00 after much tweaking, pulling and tugging, we were joined together and ready to party! Each boat was soon festooned with holiday decor and festive food and drink appeared , and was happily consumed on RHYTHM. The heat dampened spirits only by the perspiration that coated all the participants. Dick and Natalie Boecker ran a wonderful party complete with tough quizzes and contests, and a lovely silly musical charades, to much laughter and applause.

I have no pictures to show you at this time, and you will get a full report on this great event in a future letter. (Photographer Ted and spouse Carol are off in Alaska!)

MERIDIAN sailed away on the first leg of the "Where the Wind Blows" cruise and found she was the only participant! The cruise was called off ----I think, from heat exhaustion!

I promise all the great details complete with pictures soon!

By Land: Head East on Forest Drive (Rt.. 655) from Rt... 2 at Parole, through nine traffic lights at which time you will be on Bay Ridge Road. Pass the Bay Ridge gates and turn left onto East Lake Drive. Bear right and go 4/10 mile to the sign on the left for the Bay Ridge Civic Association Clubhouse. Turn in and you will find plenty of parking.

By “Sea”: You will find the Lake Ogletown entrance NW of AH! (formerly Tolly Pt.) Be sure that the #1 & #5 Flashers stay lined up with your for and aft stays. Don’t let the tide carry you out of the channel. Boats with 5' draft go in and out at all times with no trouble. Once inside, bear to port and you will find plenty of room to anchor in good water. The Clubhouse is at the East end of the lake at the marina. Just dinghy in!
