**A DOLDRUMS DIVERSION!
MARCH 5, 2011
5:00 P.M.
1201 ROGERS ROAD
ON CADLE CREEK
SAILING AND DRIVING
DIRECTIONS ON PAGE TWO**

DIRECTIONS BY WATER:

Rhode River red Flasher #2 is one mile WNW of West River red flasher #2. Cadle Creek is to the East just past Rhode River day-mark R6. Two or three boats drawing 5 feet or less can anchor in Cadle Creek. If the wind is anything but from the SE anchoring in the bight just across the Rhode from Cadle Creek is the most convenient.

DIRECTIONS BY LAND:

From the West: Take Davidsonville Road (Rt. #424) South off Route #1-50. In three or four miles turn left onto Rt. # 214 (Central Avenue) at the signal. Continue East until you pass a dead end sign (about 20 minutes). Take the second right after the dead end sign onto Rogers Road. The George's home is at the end of the lane on the left.

From # 1-97: head toward Annapolis but take the first right onto Aris T. Allen Blvd and then take the second exit onto Rt. #2 (South). Cross the South River, pass the Giant Food on your Right and turn left (East) onto Rt. # 214. Follow the directions above to Rogers Road from #214.

From Rt #2 North: Turn West on Rt. #1-50, cross the Severn and take the exit to Rt #2 South. Cross the South River, pass the Giant Food on your Right and turn left (East) onto Rt. # 214. Follow the directions above to Rogers Road from #214.

On Saturday, Feb. 12, Deb and Ken Coons, Marty and Joyce Suydam, and Prue and Bob Clopp celebrated Valentine's Day in style. The afternoon excursion to Baltimore began with a gourmet lunch at "Sotto Sopra" that served the best fried calamari on the East Coast. The six then went to see Center Stage's production of Harold Pinter's "The Homecoming." This Tony award winning play still has them thinking about the meaning of it all.

TO ALL MEMBERS OF THE CBC

VALUED MEMBERS OF CBC,

We're getting an early (earlier) start this year. Maybe its because we seem to have abandoned seasonal boundaries. We now have several events in the off-season that are gaining in popularity and that's a good thing. In any case, spring is still the traditional time for rounding up members and filling the bank account with those Dues checks.

We've had moderate success in retaining a stable membership level; we gain a few and we lose some.

We are committed to membership retention because we need the Experience and the Spirit of our long-time members!, so please take a moment to renew your membership using the attached form or use the form on our website. Also, before you write "Same As Last Year" across the form please review your profile in the latest Directory and make sure that all your data is accurate.

If life has taken you in a different direction, sold the boat, moved to West Palm Beach? Let us know that also.
I maintain a growing list of CBC alumni.

Where will you ever get a better deal for \$45.00?
