

IT WAS A GREAT DAY FOR OUR LUNCHEON AT PIRATE'S COVE

Here are the folks who gathered and enjoyed the great company, good food and the piping in of our new commodore and his crew for our sailing season of 2012:

Sharon Arsenault, Tom & Elinor Adensam, Sandra & Norm Bogarde, Peter & Margaret Madden, David Crosland & Pam Ledford, George & Clary Thomas, Hunter & Shirley Kennard, Paul & Marge Kavanaugh, Marty & Joyce Suydam, Dick & Ruth Boecker, Bob Clopp & Prue Clendenning, Nancy & Frank McCabe, Joel Gross, Bruce & Janet George, Logan & Will Hottle, Tom Finnin, Ted & Carol Reinhold, Val & Jane Taliaferro, and late-comers Mickey & Scott Doran.

Elinor Adensam presented the commodore's burgee to Mickey Doran and received her permanent one. Bob Clopp is holding his Vice commodore flag and poor Val Taliaferro's flag didn't make it to the luncheon. Dave Burka was away from the area that day, but we know for sure he hasn't absconded with the club funds. He has taken wonderful

care of everything financial for us. Logan Hottle will continue as secretary for 2012. Looks like we'll have another grand year coming up. We'll just have to pray for better sailing weather next year.

Norm Bogarde gave us a report on our membership... and encouraged us to keep working on getting new members. Ted's web page is a wonderful draw for new folk.

We had a special time for remembrances of Ned Sherer who was such an enthusiastic sailor and happy friend to all who knew him, and we exchanged stories of our departed friend. We shall all miss him.

It was a great afternoon that left us all looking forward to the new year.

TED'S SNAPSHOTS OF TWO FALL RENDEZVOUS

The first rendezvous in Bodkin Creek you read about in a previous newsletter. The second Rendezvous was held on Friday August 16th behind Gibson island. That evening there was a most spectacular sunset.

Anne Segermark, Carol Reinhold, Sandra & Norm Bogarde and Rich Segermark.

The third rendezvous was held on Thursday October 13th in Swan Creek.

That week, Ted and Carol Reinhold had their friends Elaine and Art Anderson from Napa Valley, California sailing with them on the Chester River. For the most part the weather

was lousy with rain, overcast, a chill and some fog but the breezes were good and lots of geese flew Vs overhead. On Thursday in a drizzle and poor visibility, they left the Langford Creek area and sailed for Swan Creek. As RHYTHM approached the entrance to Swan Creek, the skies totally cleared and the sun was really welcomed.

Their friend Art is quite a cook and he prepared a special liverwurst spread for the CBC rendezvous.. They all sat, and sat, waiting for the others to arrive, but no other CBC boat showed up. That evening the foursome had lots of liverwurst. What a surprise to find not another boat of any kind anchored in Swan Creek that night!

PS from Ted: We lost our raw water pump just before

anchoring and the engine overheated. The next day we had a nice breeze from the SSE and decided to sail home without the engine . We sailed off the anchor and tacked many, many, many times getting out of the narrow Swan creek channel. It was a lot of work but one of the best sails of the season.

A MESSAGE FROM OUR NEW COMMODORE

TO ALL CURRENT OFFICERS; PAST OFFICERS AND MEMBERS AT LARGE,

The Pre Planning meeting for the CBC will take place on Thursday, Dec. 8th at 3:00 in the afternoon.

We are going to meet in the conference room at Bacon and Assoc. in Annapolis. (They are at 116 Legion Ave., one block behind the Goodwill on West St.).

Conference room is on the second floor.....come early and shop a little. They close at 4:30 so we will have to be out by then.

For those interested we can go a block away to Chris's Charcoal Pit for an early dinner.....just an idea.

As in the past, this meeting is to lay out a working calendar with selected events for the coming sailing season.

Hopefully we can come up with some new ideas, assess current events, and discuss ways in which to keep CBC strong, viable, and most of all ...FUN!

Those planning to attend should contact Capt. Mickey no later Tuesday, Dec. 6th. We just need a number count.

JUST BRING YOURSELF AND GOOD VIBES.

CAPT. MICKEY
