Eggcellence!

A BREAKFAST BRUNCHERY™

ON SATURDAY, JANUARY 19TH, a cold-weather contingent of CBCers gathered in Annapolis for the 2nd Annual Eggcellence Brunch. Commodore Bob and Prue Clopp were joined by Bruce and Janet George, Paul and Marge Kavanaugh, Peter and Margaret Madden, Marty and Joyce Suydam along with hosts Ken and Deb Coons. Each one enjoyed a delicious meal while sharing news of upcoming travel plans--many to southern climes.

Along with good food was the great fun of one of Bruce and Janet George's classic contests. This time it was "What Is It, and What Does It Do?" which Paul Kavanaugh quickly nailed*. The prize--ingredients for an at-home brunch from Stonewall Kitchens. The party ended with the distribution of "Mad Money" lottery tickets. While there were several winners--the total winnings was a paltry \$8! Never mind, there is always next year!

WHAT IS IT AND WHAT DOES IT DO?

SOME OF OUR CBC FOLKS GOT TOGETHER FOR AN INTERESTING AND TASTY WINTER RENDEZVOUS ON FEBRUARY 2.

Prue and Bob Clopp, Deb and Ken Coons, and Marty and Joyce Suydam enjoyed a day in Washington, DC attending a matinee of "Our Town" at Ford's Theater. After the excellent show they visited the new education center across the street and then enjoyed a delicious French dinner at Bistro D'Oc. Here are Marty and Joyce finishing their wine in the lovely setting, Prue snapped this with her telephone

WHILE DOWN SOUTH..... The Johnsons started on what would be almost an eight hundred mile journey which is probably the longest cruise they have ever

taken. This year the southern iteration of the CBC had a "Progressive Doldrums Party". It started on 13 February in Mt Dora with Doc and Carol meeting the Dorans at a lovely old resort hotel, then moved to Ft Myers where they got together with The Georges and the Kavanaughs for Lunch on 15 February. Following this the party

moved to Marathon Key and a Dinner gathering on 19 February that included the Reinholds and the Adensams, and concluded on 20 February with afternoon at the beach with Norm and Sandra Bogarde at Deinor Wiggins State Park in Collier county. Doc's comment is

"Many lunches, dinners and cocktail hours.

Tough work, but somebody has to do it."
