

It was a perfectly beautiful noon **3/23/13**, when a very enthusiastic bunch of CBC boaters gathered at the Providence Clubhouse to kick off the 2013 sailing season. It wasn't quite the weather to burn the socks, but there was a whiff of spring in the breeze. Scott and Mickey Doran had set up a beautiful buffet table or two and the bar was sporting some of our Commodore's wines for the quaffing... yum! There was a lot of happy greeting as the folks hadn't seen each other since before the holidays. Lots of our folk have been snow bunnies of late and were still down in the southern climes. We did miss them.

Commodore Bob called us (as far as [possible] to order and we put the final stamp of approval for the activities, cruises, parties and all the fun doings of the season ahead. Then came the scrumptious lunch. The club had produced a lovely ham and the salads, side dishes, appetizers, corn bread, that appeared on the table were as tasty as they looked!

The surprise for the day was the big chocolate birthday cake for Hunter Kennard aka. Mr. Hunny who was celebrating his 90th that day. Scott Doran produced a very sinful cake that was also beautifully decorated with a tiny harbor, piling, sailboats etc. Mickey produced a backdrop. When everyone sang "Happy Birthday" Hunter sang "Happy Birthday to Me!" After lunch we gathered outside for the "Official" portrait by Mickey. Very good looking group: Earl Mullins and Felicia, Marty and Joyce Suydam, Scott and Mickey, Bob Clopp and Prue Clendenning, Mr Hunny and Shirley Kennard, Peter Madden (minus Margaret who was home with s nasty cold), Paul and Marg Kavanaugh plus two lovely schnausers, Tom Finnin and Joel Gross, Val and Jane Taliaferro, Bruce and Janet George, Ted and Carol Rinehold, Deb Coons and Frank and Nancy McCabe.

Here are some snaps of the occasion, and you can find a video on our web site.
