

**THE CBC 40TH ANNIVERSARY SPRING LUNCHEON  
AT CAFE BRETON WAS A MOST ELEGANT AFFAIR.**

VAL TALIAFERRO  
2014

Happy Hour was a wonderful time of catching up with the wintertime doings of CBC friends and reminiscing on great sails, hysterical incidents, groundings, fun times and absent friends. Two tables of hors d'oeuvres were there to accompany our libations and whet our appetites. There were six flower topped tables for us and at each place a menu of goodies to choose from. Peter and Margaret Madden were our welcoming host and hostess.

Shirley brought in the 2014 directories for distribution when everyone settled down for a sumptuous meal. Here is a list of the attendees at this 40th anniversary celebration. Norm and Sandra Bogarde, Val and Jane Taliaferro, Peter and Margaret Madden, Mickey and Scott Doran, Marty and Joyce Suydam, Deb Coons (solo as Ken was in Delaware at a family conference)

A boatless Frank and Sharon Arsenault, Elinor and Tom Adensam, Dick (Jr.) and Natalie Boecker, Bob and Prue Clopp, Joel Gross, Shirley Kennard (also boatless), Tom Trump, Dave Burka (without his Rebecca), Will and Logan Hottle, Ted and Carol Reinhold, Tom Finnin and his lovely friend Annette, and our very special charter members Dick and Ruth Boecker who attended the absolute first raft up of the Bristol Club. Dick became the race coordinator, chairman, timekeeper and everything to do with racing for about twenty years!

After our goodie desserts Norm announced that we had 12 "previous" Commodores on hand and he asked each in turn to Talk a bit about their particular term of office and the fun and crazy things that happened then. Mickey had us in stitches with his saga of the planting of a memorial tree at the Smithsonian property on the Rhode River. The last to speak was our Charter member, Dick Boecker who described the early days on Daphne.

Norm took over and presented them with a particularly special gift (after a consultation with Dick and Natalie). They were presented with a gift card for the Robert Morris Inn which is one of their favorite places. Ruth took over and described their first trip to the Inn.. and a 10:00 dinner of purloined crackers and Bologna, while the friends they were to meet were snoozing away in Easton. A delightful close to a great event.

Last weekend was the Shakedown cruise and , fortunately, though it was chilly, it was nice weather and I'm sure Captain Mickey's soup was really welcome.
